Comply with the requirements of the Act. The aspect which has been clearly pointed out in the Communication of the Govt of Bombay, has escaped the notice of the Deptt.

There seems to be no legal obligation on the part of our Govt to accept the cost of maintenance and as such if it be accepted, it will be as an administrative expedient of both the Govts. This may perhaps be examined in the Finance Deptt. In case we agree to meet the cost incurred by the Govt of Bombay in respect of the children belonging to our State, similar recovery has to be made from the Govt of Bombay in respect of the cost incurred by our Govt for the children belonging to the Bombay Presidency though the children of that presidency are not detained in our State jails under the provisions of Children Act. The statistics in this respect will be called for from the Dir of Prisons, if necessary. It is however certain that the records may not be large.

no homes, settled places of abode or visible means of subsistence (Section 7(a) of the B. Ch. Act). The cost of their maintenance in such institutions is said to be Rs 180 each or Rs 3060 in all. The suggestion that the children might be detained in the Central Jail cannot be carried out, as such detention, in the absence of a corresponding Children Act in force in Mysore, would not be legal. It would also not be expedient perhaps for the State to commit itself, until such an enactment is passed here, to recoup the Govt of Bombay any expenditure which may be incurred by it on destitute children with a Mysore domicile.

mbay Children Act, 1924
Reciprocal arrangement in respect of transfer of chilcren dealt with under the.

With reference to your letter No.R.F.70-42/Judl., dated the February 1942, on the subject noted above, I am directed to state that experience has shown that the detention in the Certified Sch of this Province of children belonging to other Provinces and b ts creates administrative difficulties and is generally inconvenient

here is the difficulty of teaching the children because th
o not know the local languages, their parents and relative
ind it difficult to visit them, and finally it is difficult
o make arrangements for their release from the school on
icence. In the opinion of this Government, it is highly
esirable in the interests of the children themselves that
hey should be detained in certified or Reformatory Schools
n the Province or State of origin rather than elsewhere.

2. At present as many as 200 children belonging to oth
rovinces and States have been detained in the Certified sc
n this Province and the Government of Bombay has been spen
considerable part of its revenues for the maintenance,
rotection and reformation of these children of 'foreign' domic
his Government has been giving its anxious attention to this
roblem and considers it inequitable that because of the greate
rbanization of its Province it should be over-burdened with th
esponsibility of reformation and training of children of 'fore
omicile to the disadvantage of children belonging to its own
rovince. To remedy this evil, this Government has decided
o persuade other Provincial Governments and States who
aintain Certified or Reformatory Schools to enter into a
eciprocal arrangement under which children who hail from
ther Provinces and States but are detained in Certified
chools in this Province, will be transferred to Certified
r Reformatory Schools in the Province or State of their origin
nd vice versa after mutual consultation between the two
overnments. Under this arrangement neither Government is
o claim any maintenance charges from the other in respect
f the children so transferred, and the travelling expenses
f children for journeys to the province or state of origin
nd also of their escorts is to be borne by the authority which
rders the transfer of children.

3. From your letter under reference it appears that it
ill take a long time before separate institutions, perhaps
imilar to Certified Schools in this Province, for juveniles
re established in the Mysore State. In the circumstances

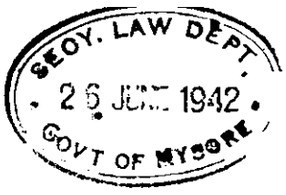
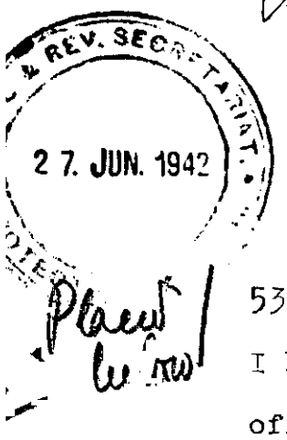
OFFICE OF
The Inspector-General of Prisons
in Mysore,
Bangalore,
Date 26th June 1942.



The Secretary to the Government
of H.H. the Maharaja of Mysore,
Law Department, Bangalore.

Sir,



Subject:- Payment of the cost of maintenance of the children belonging to the Mysore State, detained in the Reformatory Institutions in the Bombay Province.

With reference to your letter No. P. 4874/Pris. 53-41-2 dated the 27th April 1942, on the above subject, I have the honour to state that at present the juvenile offenders and delinquents in Mysore are confined in a separate block in the Central Jail at Bangalore, and every effort is made to train and reclaim them from a life of crime. The cost on account of the maintenance of the 17 children belonging to the Mysore State, now detained in the Reformatory Institutions of the Bombay Presidency comes up to Rs. 3060/- at Rs. 180/- per head per annum. The cost would be much less, if these children are maintained in the State. I am of opinion that it is preferable to get them all transferred to the Central Jail, Bangalore, instead of paying for their maintenance at Bombay.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector-General of Prisons.
